And As I thought, I stood to think
There are ~~no~~ no longer good years young
There are only good years old.
There are only...
Automation has no lungs.
A different kind of cigarette.
Nifty technology
Updates and operator
It's something of a dystopic
Though I might not need to understand.
Automation has no lungs
It was a different kind of cigarette
If nifty tech updates and operator
Then can't go back just for a shot
It's something of a dystopic
Though I might not need to understand
Cause I thought I stood to think
